26

BANKA™ BENCH

You might have never seen
an exercise bench like this.

27

BANKA™ Luxury Weight Bench.

Handmade from wood, stainless steel and natural leather. Just like other PENT.® brand products, also here many hours of design work and craftsmanship have created something special in terms of form and practical use.

The stable and simple form of the exercise bench stands out with its quality and craftsmanship. The best materials combined with the strong attention to detail make this simple exercise equipment breathtaking for anyone who is looking for a practical function with beauty and prestige for a home or hotel gym.

28

BANKA™

Designed with special attention to detail and a strong focus on quality workmanship.

29

SCALA™ WALL BAR

Power to make big things happen
in the home gym.

SCALA™ Luxury Fitness Wallbar.

Handmade from natural walnut wood and stainless steel. Its excellent and prestigious design also has wide practical application.

The pattern of ladder, refering to roots, contains a feature of weighted and removable rungs. After removing them we obtain a stylish so-called weighted „fitness bar” that is ultra soft to the touch. The available weights are 1 kg, 2 kg, 3 kg, 4 kg and 5 kg. Their weight can be easily identified by the ratio of wood to stainless steel.

To multiply available weights and add some additional applications, the ladder has . flexible bands that can be easily attached to the bars and the ladder. Additionally, SCALA has two handles to attach TRX bands.

SCALA™

Ladder with removable bars (5 pieces), elastic band and two TRX clips..

RACKA™ SET

Multiple equipment solutions tailored to the training needs of fitness enthusiasts who also appreciate good design.
